February 03, 2026

Tender Cancellation Notice

The Tender for “Associated Civil Works for the Augmentation Works of the 400/220/66/33 kV Indoor Gas Insulated Switchgear (GIS) Substation at Norbugang Industrial Park (NIP), Samtse, Bhutan, vide Tender No. BPC/C&PD/CMS/TENDER-2026/05”, has been annulled.

The annulment is in reference to the cancellation of the Electrical Tender owing to unavoidable circumstances. As the civil works are required to be aligned with the Electrical contract, it has been decided to annul the above-cited tender.

Accordingly, bidders who have submitted their original Bid Security are requested to collect the same from the respective offices.
